

EKU Summer Academic Recovery Opportunity

You have the option to participate in the EKU Summer Academic Recovery Opportunity. You are currently on Academic Suspension, as such you are required to sit out the fall academic semester. However you may wish to consider the Summer Academic Recovery Opportunity.

This is the option to attend summer school this year in an attempt to increase your GPA and return to good academic standing – possibly removing yourself from suspension. If you take this opportunity, and earn at least a term EKU GPA of 2.0, you will be allowed to return in the coming fall semester.

If you wish to participate:

1. Complete this form and return to the Registrar (Whitlock Rm. 239) or email as an attachment to Registrar@eku.edu.
2. The Registrar's Office will process the request and contact you when you are able to register.
3. Look online for summer courses that will boost your GPA. IMPORTANT – repeating failed courses is the fastest way to improve your GPA! You may wish to discuss this with an advisor in the Office of Advising 859-622-2276.
4. Enroll in no more than two EKU classes once your EKUDirect Add/Drop page has been reset to allow registration. *(Note! You will be restricted to enrolling in summer classes only.)*
5. Contact the Financial Aid Office if you will need assistance in paying for summer tuition. Your low GPA will have resulted in the automated loss of your financial aid. **You will need to appeal and work with a Financial Aid Counselor** to see if there is any possible assistance in paying for summer tuition. You may not be able to obtain aid for summer.
